CAPT. BROOKS' 1st dam by Flying Duke, by Iron Duke, by Cassius M. Clay 18.

CAPTAIN BROOKS' 2nd dam by Trojan 312.

King Herod 14183, (tabulated pedigree on application,) was a stake winner at 2, 3, 4 and 5 years old. Trotted 24 races and won 20 monies. Has to his credit 16 winning heats below 2:30 and 5 below 2:20.

King Herod 14183 is a chestnut stallion, 15 1/2 hands high, of good size and magnificent style and action. It is no experiment in breeding to King Herod 14183, as all his colts are like their sire, of great stamina, large in size and finely gaited, and many have raced in the greatest meetings in America. Nobody ever saw a poor colt by King Herod. If you don't know him, ask any horseman. If you don't get a race horse you are sure to get a large, rangy, high-acting roadster and all-purpose horse. His colts are of fine colors, bays, blacks and chestnut. It was only by great expense that King Herod was secured and we hope horsemen will show their appreciation by their patronage.

King Herod 14183 will stand the season of 1900 at our training stable, one door west of C. T. Gaudin's Feed and Sale Stable, at \$20.00 to insure mare in foal. Cash or note without interest at time of service to be returned if a mare is not in foal. No responsibility for accidents. Good pasture at reasonable price. This is a great opportunity, and our book will soon be full, as mares are coming from different parts of the state to him. Make arrangements early.
